Dear Patron,

We are offering an exciting opportunity to promote your organization, business or club!! Join us as we strive to make our upcoming conference a huge success! As a sponsor, you can expand your network as well as your client, customer or membership base and contribute to the growth of education and knowledge of our Deaf community.

The Oklahoma Association of the Deaf is excited to host our 49th Biennial Conference to be held at Oklahoma School for the Deaf in Sulphur, Oklahoma on the 8th, 9th, and 10th of June 2017. We are looking for local and state wide businesses and organizations to help us be able to make this educating event happen for our community.

Our conference requires speakers, flights, awards, banquet and entertainment. We have awards to be given during our Saturday evening banquet which recognizes ongoing contributions and involvement of outstanding individuals in our deaf community. This is a vital part of pulling our community together, to recognize achievements of those who contribute.

We invite you to be a part of opening new doors and exploring new options for OAD. Your involvement with contributions would be recognized from the community level all the way to the national level. We anticipate over 100 plus members at our Conference in June as opposed to less than 40 attendees in 2015. We cannot make this happen without you. Thank you so much for your time and consideration of your Sponsorship.

Sincerely,

Renee' Sites
2017 OAD Conference Chair

A little about one of our workshops which your contributions will support in educating:

Legislative Workshop:

How bills become laws in the state legislature

How people can become involved

Rules on lobbying

Facilitating discussion on developing priorities and plans for OAD for the next two years

Possible in-depth discussion on LEADK and what it means and how to prepare for that

MISSION STATEMENT The mission of the Oklahoma Association of the Deaf (OAD) is to promote, protect and preserve the civil rights and quality of life of deaf and hard of hearing individuals in Oklahoma.

VISION STATEMENT The vision of the Oklahoma Association of the Deaf (OAD) is that every deaf and hard of hearing individual can and will obtain maximum potential through increased independence, productivity and integration without barriers.
